PUBLIC COMMENT

Friends of Dry Creek Parkway continue to have clean up events and red sesbania removal events. Would like to see a poster contest with local schools for “this is your community park.” Reminder that creek is not a trash receptacle.

Question: Are more bathroom facilities needs on the trail?

Country Fair is scheduled for September 12, with a tentative community picnic on September 13.

Trash in bins are overflowing; trash is an issue at Hayer Park and under Elverta Road.

Sharon King is giving presentation for Native Plant Society at McKinley Park

Meeting adjourned 7:01 p.m.
