

Since travel plans for the year have been cancelled, let's use our imaginations and take a vacation "in a box"!

We are taking our favorite parts of different kinds of vacations and replicating what we can creatively at home.

Join us for three unique opportunities to "get away" from Quarantine Life and have fun!

Each "vacation" will include 3-days of activities that can be done independently at home, or together during scheduled Zoom time (at-home support may be necessary for some people to complete portions of the activities).

How this will work:

For each "vacation", we will have a drive-thru pick-up day the day before we "leave" for each trip. At this time, you will get to see the trip staff, and pick up all necessary vacation supplies and instructions. Then each day of the "trip" there will be a minimum of 2 scheduled activities that may be crafts, foods to prepare together, videos to watch, etc., as well as at-home activities.

After signing up, confirmation will be sent. And specific trip information, including pick-up details, will be given at least 1 week before the start of the vacation.
